PROFESSIONAL SUMMARY

Outgoing, dedicated, and hardworking college student pursuing a future in Computer Science.
Enjoys learning about cybersecurity, cryptography, and software engineering.
Proven ability to complete tasks efficiently and effectively.

SKILLS

Organization | Adaptability | Customer Service | Critical Thinking
Microsoft Office Suite | Computer Lab | JavaScript | Scratch

EDUCATION

Joliet Junior College | Joliet, IL
Associate in Science: Computer Science

May 2021
GPA: 3.38/4.0

RELEVANT EXPERIENCE

Code Ninjas | Homer Glen, IL

October 2019 – Present

The world's largest and fastest-growing kids coding franchise, with locations in the United States, Canada and the United Kingdom

Code Sensei

- Assist students, ages 5-14, in developing problem solving skills to apply to coding languages
- Utilizing coding languages including Scratch and JavaScript to teach the students
- Conduct 30-minute free trials to gain add-on sales from the customers

Argonne National Laboratory | Lemont, IL

June 2020 - August 2020

The U.S. Department of Energy multidisciplinary science and engineering research center where scientists conduct research that advances the frontiers of science and creates new knowledge

Cybersecurity Research Intern

- Interpreted organizational goals by conducting research on current areas of cybersecurity, such as exposing young students to the subject
- Attended presentations learning about how to develop plans to safeguard computer files against accidental or unauthorized modification, destruction, or disclosure
- Learned ways to encrypt data transmissions to conceal confidential information as it is being transmitted by participating in a Cybersecurity Capture the Flag with other interns

Joliet Central High School | Joliet, IL

June 2019 - August 2019

Information Technology Intern

- Monitored the daily performance of computer systems
- Performed minor repairs to hardware and software following design or installation specifications
- Referred major hardware or software problems or defective products to technicians for service

HONORS/AWARDS

Presidential Volunteer Service Award

April 2019

- Completed over 100+ hours of community service

Joliet Junior College STEM Scholarship

2019, 2020
